

Alien: Isolation

Publisher: Sega

Age Rating: M (Mature)

Platforms: PlayStation 3, PlayStation 4, Xbox 360, Xbox One, Windows, Nintendo Switch, macOS, iOS, Android, Amazon Luna

Description: Set 15 years after the events of the original 1979 film, players control Amanda Ripley as she investigates the disappearance of her mother aboard the Sevastopol space station. The game emphasizes stealth and survival horror, requiring players to avoid, outsmart, and confront various enemies using tools like motion trackers and flamethrowers. Its retro-futuristic art direction and atmospheric design closely resemble the original film, offering an intense and immersive experience. Alien: Isolation received positive reviews and sold over two million copies by May 2015.

Anthem

Publisher: Electronic Arts

Age Rating: T (Teen)

Platforms: PlayStation 4, Xbox One, Windows

Description: Anthem is a multiplayer online action role-playing game where players control customizable exosuits known as Javelins. Set in a vast, open world, players can team up to explore, complete missions, and battle formidable foes. The game features dynamic weather systems and a rich narrative backdrop. Despite its ambitious design, Anthem faced criticism for technical issues and a lack of endgame content.

ARK: Survival Evolved

Publisher: Studio Wildcard

Age Rating: T (Teen)

Platforms: PlayStation 4, Xbox One, Windows, Nintendo Switch, macOS, Linux, iOS, Android

Description: ARK: Survival Evolved is an open-world survival game where players are stranded on an island populated by dinosaurs and other prehistoric creatures. Players must gather resources, build shelters, tame creatures, and survive against environmental hazards and other players. The game offers both single-player and multiplayer modes, with a focus on exploration and cooperation. Its blend of survival mechanics and dinosaur interactions has made it a standout title in the genre.

Assassin's Creed Odyssey

Publisher: Ubisoft

Age Rating: M (Mature)

Platforms: PlayStation 4, Xbox One, Windows, Nintendo Switch

Description: Set during the Peloponnesian War between Athens and Sparta, players take on the role of a mercenary, either Alexios or Kassandra, as they navigate a vast open world filled with historical events and mythical creatures. The game emphasizes player choice, allowing decisions to impact the storyline and world. Combat is dynamic, incorporating both melee and ranged weapons, as well as naval battles. Assassin's Creed Odyssey offers a rich narrative experience with multiple endings based on player choices.

Assassin's Creed Syndicate

Publisher: Ubisoft

Age Rating: M (Mature)

Platforms: PlayStation 4, Xbox One, Windows

Description: Set in Victorian-era London, players control twin assassins Jacob and Evie Frye as they battle the Templar-controlled street gang, the Blighters. The game introduces new mechanics, such as the grappling hook and the ability to commandeer horse-drawn carriages. The open-world environment is richly detailed, reflecting the industrial revolution's impact on the city. Assassin's Creed Syndicate offers a fresh take on the series with its dual protagonists and urban setting.

Assassin's Creed Valhalla

Publisher: Ubisoft

Age Rating: M (Mature)

Platforms: PlayStation 4, PlayStation 5, Xbox One, Xbox Series X|S, Windows, Amazon Luna

Description: Set during the Viking expansion into England, players control Eivor, a Viking raider leading their clan to new lands. The game features a vast open world, dynamic weather systems, and a deep narrative intertwined with Norse mythology. Players can engage in brutal combat, build and upgrade their settlement, and make choices that influence the story's outcome. Assassin's Creed Valhalla received praise for its expansive world and engaging gameplay mechanics.

ASTRO'S PLAYROOM

Publisher: Sony Interactive Entertainment

Age Rating: E (Everyone)

Platforms: PlayStation 5

Description: Pre-installed on every PlayStation 5, ASTRO'S PLAYROOM serves as both a showcase for the console's capabilities and a charming platformer. Players control Astro Bot through various levels inspired by PlayStation's history, encountering references to past consoles and games. The title utilizes the DualSense controller's features, such as adaptive

triggers and haptic feedback, to enhance the gaming experience. It's a delightful journey through PlayStation's legacy, offering both nostalgia and innovation.

Astroneer

Publisher: System Era Softworks

Age Rating: E10+ (Everyone 10 and older)

Platforms: PlayStation 4, Xbox One, Windows, Nintendo Switch

Description: Astroneer is a sandbox adventure game set in a colorful, procedurally generated universe. Players assume the role of an astronaut exploring planets, gathering resources, and building structures. The game emphasizes creativity, allowing players to terraform landscapes and design complex machines. With its cooperative multiplayer mode, players can team up to explore and reshape planets together, fostering teamwork and exploration.

Back 4 Blood

Publisher: Warner Bros. Interactive Entertainment

Age Rating: M (Mature)

Platforms: PlayStation 4, PlayStation 5, Xbox One, Xbox Series X|S, Windows

Description: Developed by the creators of Left 4 Dead, Back 4 Blood is a cooperative first-person shooter where players battle hordes of zombies known as the Ridden. The game features a dynamic card system that customizes gameplay, offering replayability and strategic depth. Players can team up in squads to complete missions, utilizing a variety of weapons and tactics. Back 4 Blood combines fast-paced action with strategic elements, delivering an intense cooperative experience.

Battlefield 1

Publisher: Electronic Arts

Age Rating: M (Mature)

Platforms: PlayStation 4, Xbox One, Windows

Description: Battlefield 1 transports players to the chaos of World War I, offering large-scale battles across diverse terrains. The game introduces a variety of historical weapons and vehicles, providing an authentic experience of the Great War. Players can engage in both infantry combat and vehicular warfare, with dynamic weather and destructible environments adding to the realism. Battlefield 1 received acclaim for its immersive portrayal of WWI and its engaging multiplayer modes.

Battlefield Hardline

Publisher: Electronic Arts

Age Rating: M (Mature)

Platforms: PlayStation 3, PlayStation 4, Xbox 360, Xbox One, Windows

Description: Battlefield Hardline shifts the series' focus from military warfare to a cops-versus-criminals setup. Set in a crime drama-style narrative, players step into the shoes of Nick Mendoza, a detective entangled in a corrupt police department. The game introduces new modes like Heist and Hotwire, emphasizing fast-paced action and vehicle-based combat. While it retains Battlefield's large-scale combat, it adds a fresh twist with urban environments and tactical gadgets.

Battlefield V

Publisher: Electronic Arts

Age Rating: M (Mature)

Platforms: PlayStation 4, Xbox One, Windows

Description: Battlefield V returns to World War II, featuring large-scale multiplayer battles and a series of "War Stories" that highlight lesser-known moments from the war. The game emphasizes squad-based gameplay and introduces a fortification system for building defenses. With its dynamic weather and destructible environments, players must constantly adapt to shifting conditions. Despite a controversial launch, it has since received numerous updates improving gameplay and content.

Bioshock: The Collection

Publisher: 2K Games

Age Rating: M (Mature)

Platforms: PlayStation 4, Xbox One, Windows, Nintendo Switch, macOS

Description: This remastered compilation includes BioShock, BioShock 2, and BioShock Infinite along with all single-player DLC. Players explore dystopian cities—Rapture and Columbia—each with its own philosophical and political themes. The series is known for its atmospheric storytelling, moral choices, and unique blend of shooter and RPG mechanics. The collection modernizes visuals while preserving the core experience of these iconic games.

Bloodborne

Publisher: Sony Interactive Entertainment

Age Rating: M (Mature)

Platforms: PlayStation 4

Description: Set in the gothic city of Yharnam, Bloodborne is a punishing action RPG known for its fast-paced combat and Lovecraftian horror atmosphere. Players take on the role of a Hunter, battling through terrifying monsters and unraveling the city's grim secrets. Unlike traditional Souls games, it encourages aggression and quick reflexes over cautious play. It's celebrated for its haunting art direction, deep lore, and challenging gameplay.

Concrete Genie

Publisher: Sony Interactive Entertainment

Age Rating: T (Teen)

Platforms: PlayStation 4

Description: Concrete Genie is a creative adventure game where players use a magical paintbrush to restore color and life to a polluted city. As Ash, a bullied teenager, players bring imaginative creatures to life on walls, solving puzzles and exploring themes of friendship and self-expression. The game features a blend of exploration, platforming, and light combat. It also includes optional PlayStation VR modes for immersive painting experiences.

Control: Ultimate Edition

Publisher: 505 Games

Age Rating: M (Mature)

Platforms: PlayStation 4, PlayStation 5, Xbox One, Xbox Series X|S, Windows, Nintendo Switch (cloud version)

Description: Control is a third-person action-adventure game centered around Jesse Faden, who explores a mysterious, shifting government building known as the Federal Bureau of Control. As Jesse, players uncover supernatural phenomena and wield telekinetic powers while unraveling cryptic secrets. The game blends eerie atmosphere, mind-bending level design, and a gripping narrative. The Ultimate Edition includes all DLC, including the Alan Wake crossover "AWE."

Crackdown 3

Publisher: Microsoft Studios

Age Rating: M (Mature)

Platforms: Xbox One, Windows

Description: Crackdown 3 is an open-world action game where players become a super-powered agent tasked with dismantling a criminal syndicate. It emphasizes chaotic destruction, with a campaign and a separate multiplayer mode using cloud-powered physics for large-scale environmental damage. Players can upgrade abilities like agility, strength, and explosive power while exploring a futuristic city. Though reception was mixed, it retained the series' over-the-top energy and explosive gameplay.

Crash Bandicoot N. Sane Trilogy

Publisher: Activision

Age Rating: E10+ (Everyone 10 and older)

Platforms: PlayStation 4, Xbox One, Nintendo Switch, Windows

Description: This remastered collection includes the first three Crash Bandicoot games, rebuilt from the ground up with modern visuals and controls. Players guide Crash through colorful, trap-filled levels filled with spinning, jumping, and fruit-collecting. It retains the original games' difficulty while polishing their presentation and adding quality-of-life improvements. The trilogy is a nostalgic yet refreshed experience for both veterans and new players.

Cyberpunk 2077

Publisher: CD Projekt Red

Age Rating: M (Mature)

Platforms: PlayStation 4, PlayStation 5, Xbox One, Xbox Series X|S, Windows

Description: Set in the sprawling dystopia of Night City, Cyberpunk 2077 is an open-world RPG where players assume the role of V, a customizable mercenary navigating crime, technology, and corporate control. The game offers first-person combat, hacking, stealth, and deep character customization. Though its launch was marred by bugs, especially on last-gen consoles, updates and the **Phantom Liberty** expansion have significantly improved its experience. With its branching narrative and immersive world, it's a standout cyberpunk adventure.

Days Gone

Publisher: Sony Interactive Entertainment

Age Rating: M (Mature)

Platforms: PlayStation 4, Windows

Description: Players step into the shoes of Deacon St. John, a former outlaw navigating a post-apocalyptic world overrun by zombie-like creatures called Freakers. It blends survival elements with third-person combat, exploration, and motorcycle traversal across a devastated Oregon. The game focuses heavily on narrative and character development, exploring themes of loss, resilience, and redemption. Days Gone combines emotional storytelling with large-scale battles against hordes.

DEATH STRANDING: Director's Cut

Publisher: Sony Interactive Entertainment

Age Rating: M (Mature)

Platforms: PlayStation 5, Windows

Description: In this unique blend of walking simulator and action game, players control Sam Porter Bridges, a courier trying to reconnect isolated cities in a fractured America. Created by Hideo Kojima, the game blends rich storytelling, star-studded acting, and deep philosophical themes. The Director's Cut adds new story content, tools, and gameplay features to improve

traversal and combat. With breathtaking visuals and haunting music, it's a meditative journey through isolation, hope, and human connection.

Demon's Souls (Remake)

Publisher: Sony Interactive Entertainment

Age Rating: M (Mature)

Platforms: PlayStation 5

Description: A full remake of the 2009 cult classic, Demon's Souls drops players into the deadly kingdom of Boletaria, where demonic forces plague the land. Known for its intense difficulty, strategic combat, and minimalist storytelling, the game defined the "Soulslike" genre. The remake features completely overhauled graphics, smoother performance, and refined mechanics while remaining faithful to the original design. It's both a brutal challenge and a visually stunning showcase of what the PS5 can do.

Destiny 2

Publisher: Bungie

Age Rating: T (Teen)

Platforms: PlayStation 4, PlayStation 5, Xbox One, Xbox Series X|S, Windows

Description: Destiny 2 is a free-to-play online multiplayer shooter with RPG elements, where players take on the role of Guardians, defending humanity against alien threats. It combines fast-paced FPS action with deep lore, character customization, and raid-based PvE challenges. Constant seasonal updates and expansions like *The Witch Queen* and *Lightfall* have built a massive evolving world. With its robust class system, unique subclasses, and co-op experiences, it continues to thrive as a top-tier live-service game.

Destruction AllStars

Publisher: Sony Interactive Entertainment

Age Rating: T (Teen)

Platforms: PlayStation 5

Description: Destruction AllStars is a vehicular combat game that mixes car mayhem with parkour-like on-foot movement. Players choose from a roster of vibrant characters, each with unique abilities and custom cars, competing in chaotic demolition derby-style arenas. The gameplay is fast-paced and encourages a blend of vehicular destruction and acrobatic evasion. With a flashy presentation and online multiplayer, it offers short bursts of arcade action with strategic elements.

Detroit: Become Human

Publisher: Quantic Dream

Age Rating: M (Mature)

Platforms: PlayStation 4, Windows

Description: This narrative-driven game puts players in control of three androids—Connor, Kara, and Markus—in a futuristic Detroit where androids struggle for freedom and identity. Choices matter deeply, with branching dialogue trees and multiple endings depending on your actions. The game explores themes of free will, morality, and civil rights through cinematic presentation and QTE-driven gameplay. Detroit: Become Human is as much an interactive film as it is a game, with stunning visuals and emotional storytelling.

Devil May Cry 5

Publisher: Capcom

Age Rating: M (Mature)

Platforms: PlayStation 4, PlayStation 5, Xbox One, Xbox Series X|S, Windows

Description: Devil May Cry 5 continues the high-octane, demon-slaying action of the beloved franchise. Players control three characters—Dante, Nero, and the mysterious V—each with unique combat styles and weapons. The game blends stylish combos, over-the-top set pieces, and fast-paced action with a surprisingly emotional story. With sharp visuals and smooth controls, it's considered a return to form and one of the best entries in the series.

DIRT 4

Publisher: Codemasters

Age Rating: E (Everyone)

Platforms: PlayStation 4, Xbox One, Windows

Description: DIRT 4 is a rally racing game focused on off-road racing with a mix of simulation and arcade gameplay. It features a variety of tracks, vehicles, and weather conditions, with both casual and hardcore control schemes. The "Your Stage" feature allows players to create custom rally routes. DIRT 4 balances accessibility and depth, making it appealing to both newcomers and rally enthusiasts.

DIRT 5

Publisher: Codemasters

Age Rating: E (Everyone)

Platforms: PlayStation 4, PlayStation 5, Xbox One, Xbox Series X|S, Windows

Description: DIRT 5 amps up the arcade elements of the series, delivering a colorful and chaotic off-road racing experience. With dynamic weather, stunning environments, and a wide variety of vehicles, it's a visual and sensory ride. The game features a story-driven career mode with narration by real-life racing personalities. It also includes split-screen multiplayer, online races, and a robust playground mode for building custom courses.

DIRT Rally

Publisher: Codemasters

Age Rating: E (Everyone)

Platforms: PlayStation 4, Xbox One, Windows, Linux

Description: DIRT Rally takes a more realistic and challenging approach, emphasizing simulation-style driving across real-world rally stages. It's known for its punishing difficulty and precise controls, rewarding skillful driving and mastery of different surfaces. The game includes a variety of rally cars and classic stages from around the world. It's highly regarded among fans of serious racing simulations.

DIRT Rally 2.0

Publisher: Codemasters

Age Rating: E (Everyone)

Platforms: PlayStation 4, Xbox One, Windows, Linux

Description: Building on the success of the original, DIRT Rally 2.0 enhances the realism and immersion of rally racing. It introduces improved physics, weather systems, and tire wear mechanics that demand strategic thinking. Players compete in events around the world, managing both the car and their co-driver relationship. It's a challenging but rewarding experience for racing purists seeking the most authentic rally experience.

Dishonored 2

Publisher: Bethesda Softworks

Age Rating: M (Mature)

Platforms: PlayStation 4, Xbox One, Windows

Description: Dishonored 2 is a stealth-action game set in a steampunk world of conspiracy and supernatural powers. Players choose to play as either Emily Kaldwin or Corvo Attano, each with distinct abilities and approaches to combat and stealth. The game encourages player freedom, offering lethal and non-lethal solutions to every challenge. Its intricately designed levels and multiple endings reward exploration, experimentation, and replayability.

Dishonored: Definitive Edition

Publisher: Bethesda Softworks

Age Rating: M (Mature)

Platforms: PlayStation 4, Xbox One

Description: This edition remasters the original *Dishonored* for modern consoles, including all DLC content. Set in the plague-ridden city of Dunwall, players take on the role of Corvo Attano,

an ex-bodyguard turned supernatural assassin seeking revenge. The game blends stealth, action, and magical powers like time manipulation and teleportation. Its immersive world and player-driven narrative helped establish Dishonored as a standout in the stealth genre.

Dragon Age: Inquisition

Publisher: Electronic Arts

Age Rating: M (Mature)

Platforms: PlayStation 3, PlayStation 4, Xbox 360, Xbox One, Windows

Description: The third installment in BioWare's fantasy RPG series, *Dragon Age: Inquisition* casts players as the Inquisitor, tasked with closing a magical rift tearing apart the world. Players build and manage an army, make moral decisions, and lead a party of companions with distinct personalities and story arcs. The game features massive open zones, strategic combat, and deep lore rooted in the Dragon Age universe. With strong writing and impactful choices, it's considered a high point in the franchise.

Dragon Ball Xenoverse 2

Publisher: Bandai Namco

Age Rating: T (Teen)

Platforms: PlayStation 4, Xbox One, Nintendo Switch, Windows

Description: *Dragon Ball Xenoverse 2* lets players create their own custom character and fight through a reimagined Dragon Ball timeline. Combining traditional fighting mechanics with RPG progression, the game allows players to unlock transformations, train under iconic characters, and engage in large-scale online battles. The story explores alternate versions of famous Dragon Ball events, adding a fresh twist to classic arcs. Frequent updates and DLC keep the game active years after launch.

Dreams

Publisher: Sony Interactive Entertainment

Age Rating: T (Teen)

Platforms: PlayStation 4 (Playable on PS5)

Description: *Dreams* is a game creation system and digital playground where players can create, share, and explore games, music, art, and animations made by others. Developed by Media Molecule, the tools are intuitive yet powerful, allowing for 2D and 3D creations with stunning depth. You can play platformers, puzzle games, cinematic stories, or just admire artistic pieces made by the community. It's one of the most creative and open-ended titles ever released on console.

Dungeons & Dragons: Dark Alliance

Publisher: Wizards of the Coast

Age Rating: T (Teen)

Platforms: PlayStation 4, PlayStation 5, Xbox One, Xbox Series X|S, Windows

Description: *Dungeons & Dragons: Dark Alliance* is an action RPG set in the classic D&D universe. Players control iconic characters such as Drizzt Do'Urden, Catti-brie, Wulfgar, and Bruenor Battlehammer, as they face off against hordes of enemies in fast-paced combat. The game features co-op play for up to four players, allowing for strategic team-based battles and exploration of iconic D&D locations. With dynamic combat and loot-based progression, it aims to bring the D&D experience to life in a more action-oriented way.

Entwined

Publisher: Sony Interactive Entertainment

Age Rating: E (Everyone)

Platforms: PlayStation 4, PlayStation 3, Windows

Description: *Entwined* is an abstract, visually stunning action-puzzle game that tells the story of two souls, one in the form of a bird and the other as a fish, who are bound together by fate. The gameplay revolves around controlling both characters simultaneously, weaving through a vibrant, dreamlike world. The game is relatively short but offers a soothing experience through its gameplay, mesmerizing visuals, and an evocative soundtrack. It's a symbolic and metaphorical tale about love and unity.

Everybody's Golf

Publisher: Sony Interactive Entertainment

Age Rating: E (Everyone)

Platforms: PlayStation 4

Description: *Everybody's Golf* is a lighthearted, casual golfing game that's accessible to all players, regardless of skill level. Featuring colorful and relaxed graphics, the game lets players customize their character and tackle a variety of golf courses. It's not just about hitting the ball—there's a wide range of fun activities, including challenges, mini-games, and online multiplayer. The game's easy-to-pick-up-and-play nature, combined with its depth for mastery, makes it enjoyable for casual gamers and golfing enthusiasts alike.

Far Cry 6

Publisher: Ubisoft

Age Rating: M (Mature)

Platforms: PlayStation 4, PlayStation 5, Xbox One, Xbox Series X|S, Windows

Description: *Far Cry 6* takes place on the fictional Caribbean island of Yara, where a brutal dictatorship reigns under the rule of Anton Castillo, portrayed by Giancarlo Esposito. Players

control Dani Rojas, a guerrilla fighter attempting to overthrow Castillo's regime. The game offers a massive open world to explore, with a heavy focus on action, tactical gameplay, and vehicular combat. Players can use a variety of weapons, vehicles, and companions to fight against the military forces in an explosive and dynamic environment. The game also includes a vast array of side missions and challenges.

Far Cry New Dawn

Publisher: Ubisoft

Age Rating: M (Mature)

Platforms: PlayStation 4, Xbox One, Windows

Description: *Far Cry New Dawn* is a direct sequel to *Far Cry 5*, set in a post-apocalyptic world where the effects of a nuclear disaster have left the environment in ruin. Players take on the role of a nameless protagonist, battling a new faction, the Highwaymen, led by the ruthless twins Mickey and Lou. The game's world is colorful yet decayed, filled with new weapons, vehicles, and RPG mechanics, such as character progression and crafting. With a mix of base-building and exploration, it delivers a unique twist on the *Far Cry* formula.

Fe

Publisher: Electronic Arts

Age Rating: E (Everyone)

Platforms: PlayStation 4, Xbox One, Nintendo Switch, Windows

Description: *Fe* is a unique action-adventure game set in a beautiful and mysterious forest where players take on the role of a small creature with the ability to communicate with nature. The game focuses on exploration and puzzle-solving, where players use the protagonist's special songs to interact with the environment and unlock new areas. The game is visually stunning, with a hand-drawn art style and a dynamic musical score that adapts to the player's actions. It emphasizes a wordless narrative and a deep connection to the natural world.

Forza Horizon 4

Publisher: Xbox Game Studios

Age Rating: E (Everyone)

Platforms: Xbox One, Xbox Series X|S, Windows

Description: *Forza Horizon 4* is an open-world racing game set in a dynamic and ever-changing version of Great Britain. The game features seasonal changes that impact the environment and racing conditions, providing a constantly evolving experience. Players can take part in various events, including races, stunts, and challenges, while collecting and customizing an expansive roster of cars. The game's gorgeous graphics and attention to detail create a realistic and immersive racing experience, and the open-world nature allows for endless exploration.

Gears 5

Publisher: Xbox Game Studios

Age Rating: M (Mature)

Platforms: Xbox One, Xbox Series X|S, Windows

Description: *Gears 5* is the latest installment in the iconic *Gears of War* franchise, blending intense third-person shooter action with a compelling narrative. The game follows Kait Diaz as she uncovers the truth about her mysterious past and its connection to the war between humanity and the Locust Horde. Featuring a deep and immersive single-player story, as well as co-op and multiplayer modes, *Gears 5* offers thrilling combat, a variety of weapons, and strategic gameplay. The game's visuals and mechanics are top-tier, making it one of the best entries in the series.

Gears of War 4

Publisher: Xbox Game Studios

Age Rating: M (Mature)

Platforms: Xbox One, Windows

Description: *Gears of War 4* is a return to the brutal, action-packed world of *Gears of War*, following the story of JD Fenix, the son of the series' protagonist, Marcus Fenix. The game introduces new enemies, weapons, and mechanics, while maintaining the series' signature cover-based shooting and intense combat. It also introduces a new multiplayer mode, Horde 3.0, where players team up to fend off waves of enemies. With a focus on the next generation of heroes, *Gears of War 4* offers both a satisfying campaign and a variety of multiplayer experiences.

Ghosts of Tsushima

Publisher: Sony Interactive Entertainment

Age Rating: M (Mature)

Platforms: PlayStation 4, PlayStation 5

Description: *Ghost of Tsushima* is an open-world action-adventure game set during the Mongol invasion of Japan in the late 13th century. Players control Jin Sakai, a samurai who must adapt his traditional combat style to defeat the Mongols using stealth and guerrilla tactics. The game features a stunning, detailed world inspired by feudal Japan, with a combat system that blends swordplay, stealth, and exploration. The game's engaging story, beautiful landscapes, and unique art direction make it one of the standout titles on the PlayStation.

Ghosts of Tsushima Director's Cut

Publisher: Sony Interactive Entertainment

Age Rating: M (Mature)

Platforms: PlayStation 4, PlayStation 5

Description: *Ghost of Tsushima Director's Cut* enhances the original *Ghost of Tsushima* with additional content, including a new island to explore and a deeper narrative. The Director's Cut version offers a more expansive experience, adding the Iki Island expansion, which provides new storylines, characters, and challenges. With improved performance on PlayStation 5, including faster load times and enhanced visuals, this edition brings a more immersive and fluid samurai experience. The game also continues to showcase its stunning world, blending traditional samurai combat with stealth and exploration in a beautifully recreated feudal Japan.

God of War (2018)

Publisher: Sony Interactive Entertainment

Age Rating: M (Mature)

Platforms: PlayStation 4, PlayStation 5, Windows

Description: *God of War (2018)* marks a major shift in the *God of War* series, transitioning from Greek to Norse mythology while focusing on the relationship between Kratos and his son, Atreus. The game combines visceral combat with an emotional story, as Kratos battles gods and monsters while teaching his son about the world. Featuring a single-camera, uninterrupted storytelling approach, the game offers deep combat mechanics, puzzles, and a rich narrative. This critically acclaimed entry in the series reinvents the franchise while maintaining its brutal action and epic scale.

God of War III (Remastered)

Publisher: Sony Interactive Entertainment

Age Rating: M (Mature)

Platforms: PlayStation 4

Description: *God of War III Remastered* brings the iconic final chapter of Kratos' journey through Greek mythology to PlayStation 4 with improved visuals and performance. Players control Kratos as he seeks vengeance against the gods who betrayed him, culminating in epic battles against massive mythological creatures. The remastered version features 1080p resolution and smoother gameplay, along with all the brutal combat fans expect from the series. With its legendary action and over-the-top spectacle, *God of War III Remastered* offers an unforgettable experience for both new players and returning fans.

Gravity Rush 2

Publisher: Sony Interactive Entertainment

Age Rating: T (Teen)

Platforms: PlayStation 4

Description: *Gravity Rush 2* follows the adventures of Kat, a young woman with the ability to manipulate gravity in a vibrant, open-world environment. The game takes full advantage of the PlayStation 4's hardware, offering stunning visuals and fluid, acrobatic gameplay as players navigate through the sky and around complex environments. The story expands on Kat's past and her connection to powerful forces that shape her destiny. With new gravity powers and a focus on exploration, puzzle-solving, and fast-paced combat, *Gravity Rush 2* offers a unique and immersive experience that blends superhero-like abilities with a colorful, dreamlike world.

Gravity Rush Remastered

Publisher: Sony Interactive Entertainment

Age Rating: T (Teen)

Platforms: PlayStation 4

Description: *Gravity Rush Remastered* brings the original *Gravity Rush* to PlayStation 4 with enhanced visuals and a smoother experience. Players once again control Kat, a young girl with the ability to manipulate gravity, as she embarks on a journey to uncover her mysterious past and save a world in turmoil. The game features dynamic gravity-based combat and exploration, allowing Kat to navigate through the air, perform acrobatic feats, and battle enemies in creative ways. With a striking art style and a compelling, character-driven story, *Gravity Rush Remastered* is a fantastic introduction to the series for newcomers and a visual treat for those returning to the game.

Grid

Publisher: Codemasters

Age Rating: E (Everyone)

Platforms: PlayStation 4, Xbox One, Windows

Description: *Grid* is an arcade-style racing game that offers fast-paced, thrilling racing experiences with a variety of cars, tracks, and events. The game features a dynamic AI system, where opponents adapt to the player's actions, providing a challenging and exciting experience. With its emphasis on accessibility, *Grid* is designed to be enjoyable for both casual players and racing enthusiasts. The game includes various racing disciplines such as circuit racing, touring cars, and street racing, and allows for intense customization of vehicles to suit different playstyles. It's a visually stunning racing game that strikes a balance between simulation and arcade fun.

Hades

Publisher: Supergiant Games

Age Rating: M (Mature)

Platforms: PlayStation 4, PlayStation 5, Xbox One, Xbox Series X|S, Nintendo Switch,

Windows

Description: *Hades* is a rogue-like dungeon crawler that combines fast-paced combat with a rich narrative set in the underworld of Greek mythology. Players control Zagreus, the son of Hades, as he attempts to escape his father's realm and reach the surface. The game features tight, responsive combat with a variety of weapons and abilities that can be upgraded during each run. It's unique in its storytelling, with characters who interact with Zagreus as he repeatedly attempts his escape, building a story through each failed attempt. With beautifully hand-drawn art, an incredible soundtrack, and a deep combat system, *Hades* became one of the standout indie hits of its year.

Halo Wars

Publisher: Microsoft Game Studios

Age Rating: T (Teen)

Platforms: Xbox 360, Windows

Description: *Halo Wars* is a real-time strategy (RTS) game set in the *Halo* universe. The game allows players to control human and Covenant forces as they battle across various terrains in a campaign that takes place before the events of the main *Halo* series. Unlike traditional RTS games, *Halo Wars* features a streamlined interface designed for console players, making it accessible for a broader audience while still delivering strategic depth. The game offers intense tactical combat, as well as multiplayer modes, and provides fans of the *Halo* universe with a new perspective on the epic conflict between humanity and the Covenant.

Halo Wars 2

Publisher: Microsoft Studios

Age Rating: T (Teen)

Platforms: Xbox One, Windows

Description: *Halo Wars 2* is a direct sequel to the original *Halo Wars*, continuing the saga of intergalactic warfare in the *Halo* universe. The game introduces new factions, including the alien Banished, and expands on the tactical RTS mechanics with more advanced units and dynamic battlefields. The story picks up with the human crew of the Spirit of Fire as they face off against the Banished on a new, hostile world. *Halo Wars 2* builds upon the original's easy-to-use controls, making it perfect for console RTS players, while also offering a deeper, more complex strategic experience. With stunning visuals and epic battles, it's a must-play for fans of *Halo* and RTS games alike.

Hell Drivers Super-Earth Ultimate Edition

Publisher: Ubisoft

Age Rating: E (Everyone)

Platforms: PlayStation 4, Xbox One

Description: *Hell Drivers Super-Earth Ultimate Edition* is an intense vehicular combat game set in a post-apocalyptic future. Players take control of heavily armed vehicles and race through dangerous environments filled with obstacles, enemies, and chaos. The game features a variety of customizable vehicles and upgrades that allow players to tailor their approach to combat and racing. With explosive action and high-speed gameplay, *Hell Drivers* delivers an exhilarating experience where players battle through challenges to survive and dominate their enemies. The Ultimate Edition includes all previously released DLCs and offers an expanded experience with new tracks and vehicle customization options.

Immortals Fenyx Rising

Publisher: Ubisoft

Age Rating: T (Teen)

Platforms: PlayStation 4, Xbox One, Nintendo Switch, PlayStation 5, Xbox Series X|S, Windows, Stadia

Description: *Immortals Fenyx Rising* is an action-adventure game set in a vibrant, mythical world inspired by Greek mythology. Players take on the role of Fenyx, a young hero tasked with saving the gods from a dark curse unleashed by the titan Typhon. The game blends fast-paced combat, exploration, and puzzle-solving, as Fenyx journeys through a vast open world full of secrets to uncover. The story is filled with humor and charm, with a narrator who adds wit to the experience. *Immortals Fenyx Rising* stands out with its colorful art style, creative puzzles, and engaging gameplay that offers something for both casual gamers and fans of action-adventure games.

Journey

Publisher: Sony Interactive Entertainment

Age Rating: E (Everyone)

Platforms: PlayStation 3, PlayStation 4, Windows

Description: *Journey* is an artistic and emotionally resonant adventure game that transports players to a vast desert landscape in search of a distant mountain. The game is known for its beautiful visual design, fluid gameplay, and evocative score, as players take control of a robed traveler with the ability to glide and interact with the environment. What makes *Journey* stand out is its innovative multiplayer mechanic—players can encounter others along the way, but communication is limited to simple gestures and shared experiences. *Journey* is a short but powerful experience that emphasizes the themes of solitude, connection, and discovery.

Kingdom Hearts 3

Publisher: Square Enix

Age Rating: E10+ (Everyone 10 and older)

Platforms: PlayStation 4, Xbox One, Windows

Description: *Kingdom Hearts 3* is the long-awaited conclusion to the *Kingdom Hearts* saga, bringing together beloved Disney characters and locations with the world of *Final Fantasy*. The game follows Sora as he embarks on a quest to stop the evil Organization XIII and protect the world's light. The game features real-time combat, magical abilities, and stunning visuals, with several Disney worlds to explore, including those inspired by *Frozen*, *Toy Story*, and *Monsters, Inc.* The emotional narrative, combined with iconic Disney music and characters, makes *Kingdom Hearts 3* a must-play for fans of action RPGs and Disney lovers alike.

Kirby Star Allies

Publisher: Nintendo

Age Rating: E (Everyone)

Platforms: Nintendo Switch

Description: *Kirby Star Allies* is a delightful 2D platformer that brings the classic *Kirby* formula to the Nintendo Switch. Players control Kirby as he explores colorful, whimsical levels filled with enemies, obstacles, and secrets. The game introduces a new mechanic where Kirby can recruit enemies to join him as allies, creating dynamic team-based gameplay. The co-op multiplayer mode allows friends to join in on the fun, and together, they can solve puzzles and defeat bosses. With its charming visuals, family-friendly gameplay, and accessible mechanics, *Kirby Star Allies* is a fun, lighthearted adventure for players of all ages.

Knack

Publisher: Sony Interactive Entertainment

Age Rating: E10+ (Everyone 10 and older)

Platforms: PlayStation 4

Description: *Knack* is a 3D platformer that follows the adventures of Knack, a small, mysterious creature made up of ancient relics. As Knack, players can grow in size by collecting relics, giving them the ability to fight enemies, solve puzzles, and explore various environments. The game features both single-player and cooperative modes, allowing a friend to join in as a second character. While *Knack* received mixed reviews for its difficulty and repetitive gameplay, its visual style, family-friendly appeal, and unique mechanics make it an interesting title for PlayStation 4 owners.

Knack 2

Publisher: Sony Interactive Entertainment

Age Rating: E10+ (Everyone 10 and older)

Platforms: PlayStation 4

Description: *Knack 2* improves upon its predecessor by offering a more refined experience with new gameplay mechanics, better controls, and a more expansive story. Players once again

control Knack, but this time, he is joined by a new ally, and the game introduces cooperative multiplayer, allowing two players to work together to solve puzzles and combat enemies. The game features various environments, new combat abilities, and a stronger emphasis on exploration. *Knack 2* is a more polished and enjoyable experience compared to the original, making it a solid choice for fans of family-friendly platformers.

Luigi's Mansion 3

Publisher: Nintendo

Age Rating: E (Everyone)

Platforms: Nintendo Switch

Description: *Luigi's Mansion 3* takes players on a spooky yet charming adventure where Luigi must rescue his friends from the clutches of ghosts in a haunted hotel. The game features an inventive mix of exploration, puzzle-solving, and ghost-catching gameplay using the new "Poltergust G-00" vacuum. With its vibrant visuals and creative level design, the game offers a fun blend of lighthearted horror and humor. Players can explore various themed floors of the hotel, each with its unique set of puzzles and challenges. The co-op multiplayer mode adds another layer of fun, allowing players to team up with Luigi in his quest to free his friends.

Madden NFL 20

Publisher: EA Sports

Age Rating: E (Everyone)

Platforms: PlayStation 4, Xbox One, Nintendo Switch, Windows

Description: *Madden NFL 20* continues the legacy of the popular NFL simulation series, offering realistic gameplay and various modes, including a dynamic "Face of the Franchise" career mode. Players can take on the role of a rookie quarterback trying to make it in the NFL, customizing their player and making key decisions along the way. The game features updated rosters, more realistic animations, and enhanced AI, making it the most immersive Madden experience to date. The addition of the new Superstar X-Factor abilities lets players unlock unique skills for certain NFL stars, offering an even deeper level of strategy on the field.

Madden NFL 21

Publisher: EA Sports

Age Rating: E (Everyone)

Platforms: PlayStation 4, Xbox One, PlayStation 5, Xbox Series X|S, Windows

Description: *Madden NFL 21* brings exciting new features to the *Madden* series, including an improved career mode with deeper customization options for players, coaches, and teams. The game introduces new gameplay mechanics, such as enhanced running and new ways to interact with the ball carrier to create more realistic and dynamic football action. The dynamic

gameplay is complemented by a highly detailed presentation and realistic graphics that bring the NFL experience to life. Whether playing in single-player, multiplayer, or online modes, *Madden NFL 21* continues to provide a comprehensive and thrilling football simulation.

Mario + Rabbids Kingdom Battle

Publisher: Ubisoft

Age Rating: E10+ (Everyone 10 and older)

Platforms: Nintendo Switch

Description: *Mario + Rabbids Kingdom Battle* is a unique turn-based strategy game that combines the world of *Super Mario* with the wacky *Rabbids* characters from Ubisoft. Players control a team made up of Mario, Luigi, Princess Peach, Yoshi, and various Rabbids, each with their own abilities and personalities. The gameplay mixes strategic combat with exploration, puzzle-solving, and platforming. Players need to carefully plan their moves in grid-based combat while using environmental cover and different character skills to outsmart the enemy. The game features a fun and lighthearted narrative, with charming visuals and quirky humor that appeal to both *Mario* fans and strategy game enthusiasts.

Mario Kart 8 Deluxe

Publisher: Nintendo

Age Rating: E (Everyone)

Platforms: Nintendo Switch

Description: *Mario Kart 8 Deluxe* is a high-speed kart racing game that brings the classic *Mario Kart* formula to the Nintendo Switch with enhanced graphics, new tracks, and all your favorite characters. Players race through imaginative courses filled with obstacles, power-ups, and tight turns while using items like bananas, shells, and lightning bolts to sabotage their opponents. The Deluxe edition features a variety of game modes, including multiplayer, and supports both local and online play. With stunning visuals, a wide selection of characters and karts, and thrilling gameplay, *Mario Kart 8 Deluxe* is one of the most fun and accessible racing games available on the Switch.

Mario Golf: Super Rush

Publisher: Nintendo

Age Rating: E (Everyone)

Platforms: Nintendo Switch

Description: *Mario Golf: Super Rush* brings the iconic *Mario* characters to the golf course in this fun and fast-paced sports game. Players can engage in traditional golf gameplay or try the new "Speed Golf" mode, where they race to finish holes as fast as possible while still aiming for accuracy. The game features a variety of fun, cartoonish courses, and each character has their unique skills and abilities to make gameplay more dynamic. With both single-player and

multiplayer modes, *Mario Golf: Super Rush* offers hours of family-friendly entertainment, blending the relaxing sport of golf with the zany, unpredictable charm of the *Mario* universe.

Mario Tennis Aces

Publisher: Nintendo

Age Rating: E (Everyone)

Platforms: Nintendo Switch

Description: *Mario Tennis Aces* brings intense tennis action to the Nintendo Switch with vibrant graphics, fun gameplay, and unique power-ups. Players control a roster of *Mario* characters as they face off in fast-paced tennis matches, each featuring special moves and abilities that can turn the tide of a match. The game offers a variety of modes, including tournament play, local and online multiplayer, and a challenging single-player campaign. With its accessible yet strategic gameplay, *Mario Tennis Aces* delivers a highly competitive and fun tennis experience for both casual players and hardcore fans of the sport.

Marvel Ultimate Alliance 3: The Black Order

Publisher: Nintendo

Age Rating: T (Teen)

Platforms: Nintendo Switch

Description: *Marvel Ultimate Alliance 3: The Black Order* brings together a huge roster of Marvel superheroes and villains in a thrilling action RPG. Players can form their dream team of heroes to battle against Thanos and his Black Order in an epic story that spans the Marvel universe. The game features fast-paced combat, team-based synergy, and RPG elements, allowing players to level up their characters, unlock new abilities, and customize their teams. With cooperative multiplayer, players can team up with friends to take on the forces of evil. Whether you're a fan of the *Marvel* comics or just enjoy action-packed RPGs, this game provides hours of entertainment.

Marvel's Spider-Man Remastered

Publisher: Sony Interactive Entertainment

Age Rating: T (Teen)

Platforms: PlayStation 5

Description: *Marvel's Spider-Man Remastered* is a polished version of the original *Marvel's Spider-Man*, now available with enhanced graphics and smoother gameplay on the PlayStation 5. Players take on the role of Peter Parker as Spider-Man, fighting crime in an open-world New York City while also navigating his personal life. The game features exciting web-slinging mechanics, dynamic combat, and an engaging story filled with memorable characters. The remastered edition includes all previously released DLCs, as well as upgraded visuals, faster

load times, and improved frame rates, making it the definitive version of the game for fans of Spider-Man and superhero adventures.

Mass Effect: Andromeda

Publisher: Electronic Arts

Age Rating: M (Mature)

Platforms: PlayStation 4, Xbox One, Windows

Description: *Mass Effect: Andromeda* is the fourth installment in the *Mass Effect* series, taking players to a new galaxy, Andromeda, where they must explore unfamiliar planets, build alliances, and face hostile alien species. Players take on the role of Ryder, a new member of the Andromeda Initiative tasked with leading humanity's efforts to colonize this distant galaxy. The game combines deep role-playing elements with action-packed combat, featuring branching narratives and player choices that impact the outcome of the story. Though *Andromeda* received mixed reviews, its expansive world, character interactions, and exploration are highlights for fans of the series.

Metroid Dread

Publisher: Nintendo

Age Rating: T (Teen)

Platforms: Nintendo Switch

Description: *Metroid Dread* marks the return of Samus Aran in a thrilling 2D action-platformer that continues the *Metroid* saga. After receiving a mysterious transmission from a faraway planet, Samus ventures into the eerie world of ZDR, where she faces off against hostile alien creatures and powerful robotic foes. The game features fluid, fast-paced combat, environmental puzzles, and an expansive map to explore. The tension is heightened by the presence of the E.M.M.I., terrifying robots that relentlessly pursue Samus. With its tight controls, atmospheric design, and epic boss battles, *Metroid Dread* is a true highlight for fans of the series and newcomers alike.

Microsoft Flight Simulator

Publisher: Xbox Game Studios

Age Rating: E (Everyone)

Platforms: Windows, Xbox Series X|S

Description: *Microsoft Flight Simulator* delivers the most realistic flight simulation experience ever created, allowing players to pilot a wide variety of aircraft across a stunningly detailed, real-world recreated globe. Using satellite data and cloud technology, the game features lifelike weather conditions, day-night cycles, and geographic accuracy, making each flight a unique experience. Whether you're flying a small Cessna or a massive airliner, the game offers a broad

range of aircraft, from beginner-friendly to complex, highly technical planes. It's not only for aviation enthusiasts but also for anyone who enjoys exploring the beauty of the world from the sky.

Middle-Earth: Shadow of War

Publisher: Warner Bros. Interactive Entertainment

Age Rating: M (Mature)

Platforms: PlayStation 4, Xbox One, Windows

Description: *Middle-Earth: Shadow of War* expands upon the gameplay and mechanics introduced in *Shadow of Mordor*, offering an open-world action RPG set in J.R.R. Tolkien's Middle-Earth. Players control Talion, a ranger possessed by the spirit of Celebrimbor, as they fight to forge an army to overthrow Sauron's forces. The game's standout feature is the Nemesis System, which dynamically generates enemies that remember past interactions with Talion, creating unique rivalries. The game features epic battles, massive open-world exploration, and a deep narrative that ties into the larger lore of *The Lord of the Rings*.

Mirror's Edge Catalyst

Publisher: Electronic Arts

Age Rating: T (Teen)

Platforms: PlayStation 4, Xbox One, Windows

Description: *Mirror's Edge Catalyst* is a first-person action-adventure game that follows Faith, a runner in a futuristic city where freedom of expression is restricted. The game focuses on parkour-inspired movement, with Faith navigating rooftops, avoiding enemies, and uncovering a conspiracy that threatens the city. The open-world design allows for exploration, while the fluid movement system makes traversing the environment an exhilarating experience. The game also features a combat system that encourages strategic use of the environment to avoid direct confrontation. While the game's narrative and gameplay mechanics may divide opinions, it remains a visually striking and unique title.

MLB The Show 16

Publisher: Sony Interactive Entertainment

Age Rating: E (Everyone)

Platforms: PlayStation 4, PlayStation 3

Description: *MLB The Show 16* brings the excitement of Major League Baseball to life with realistic gameplay, updated rosters, and a variety of modes, including Franchise, Diamond Dynasty, and Road to the Show. Players can take control of their favorite MLB teams or create their own player and work through a career mode. The game offers stunning visuals, authentic ballpark environments, and strategic gameplay that mirrors the real-life sport. With improved AI,

more detailed animations, and new commentary, *MLB The Show 16* enhances the baseball experience, making it a must-play for fans of the sport.

MLB The Show 17

Publisher: Sony Interactive Entertainment

Age Rating: E (Everyone)

Platforms: PlayStation 4

Description: *MLB The Show 17* continues to set the standard for baseball simulation games with its realistic presentation, deep gameplay, and new features. The game features improved batting and pitching mechanics, enhanced player animations, and a refined career mode. In *MLB The Show 17*, players can focus on building a team in Diamond Dynasty or take a more personal approach in Road to the Show, where they control a single player's career. The game also introduces new mini-games and challenges, keeping the gameplay fresh and engaging. With its immersive experience and attention to detail, it's one of the best baseball games on the market.

MLB The Show 18

Publisher: Sony Interactive Entertainment

Age Rating: E (Everyone)

Platforms: PlayStation 4

Description: *MLB The Show 18* brings the thrill of baseball to life with lifelike animations, smooth controls, and an in-depth career mode. Players can take on the role of a Major League Baseball player or manage their favorite team in the game's various modes, including Franchise, Diamond Dynasty, and more. The game introduces new features, such as a more dynamic batting system, an improved presentation, and new ways to engage with the sport. The commentary, gameplay mechanics, and stunning visuals all contribute to an authentic baseball experience. *MLB The Show 18* remains a favorite for fans of the sport, offering a rich and exciting baseball simulation.

MLB The Show 19

Publisher: Sony Interactive Entertainment

Age Rating: E (Everyone)

Platforms: PlayStation 4

Description: *MLB The Show 19* builds on its predecessors with even more refined gameplay, including the introduction of new fielding mechanics, an improved hitting system, and a more immersive atmosphere. With the game's *March to October* mode, players can experience a shortened but intense MLB season, focusing on key moments in a team's journey to the playoffs. The *Diamond Dynasty* mode allows players to collect and build their dream team with a variety of rewards and challenges. The game also features stunning visuals, with players' facial

animations and stadiums looking better than ever. Fans of baseball and sports simulations will find plenty to love in *MLB The Show 19*.

MLB The Show 20

Publisher: Sony Interactive Entertainment

Age Rating: E (Everyone)

Platforms: PlayStation 4

Description: *MLB The Show 20* continues the franchise's tradition of offering a detailed and immersive baseball experience, featuring realistic gameplay mechanics, stunning visuals, and deep customization options. The game introduces the *Moments* mode, where players can relive historic baseball moments or create their own. In *Diamond Dynasty*, players can collect cards, build their ultimate team, and compete online. The *Road to the Show* mode is further refined, allowing for more narrative elements and player progression. With its crisp visuals, improved fielding mechanics, and engaging modes, *MLB The Show 20* offers one of the most realistic baseball simulations available.

Mortal Kombat 11 Ultimate

Publisher: Warner Bros. Interactive Entertainment

Age Rating: M (Mature)

Platforms: PlayStation 4, PlayStation 5, Xbox One, Xbox Series X|S, Nintendo Switch, Windows

Description: *Mortal Kombat 11 Ultimate* brings the iconic fighting series to its apex with intense, brutal combat, and new features. The game includes all the previous downloadable content (DLC) characters, arenas, and additional story content. Players can engage in bloody 2D combat with a roster of both classic and new fighters, each with their own unique moves and fatalities. The game features a deep story mode, along with competitive multiplayer modes that let players test their skills online. With stunning graphics, improved animations, and the classic *Mortal Kombat* finishing moves, *Mortal Kombat 11 Ultimate* is a must-play for fans of the series and fighting games in general.

NBA Live 19

Publisher: Electronic Arts

Age Rating: E (Everyone)

Platforms: PlayStation 4, Xbox One

Description: *NBA Live 19* offers a more realistic basketball experience, providing gamers with a chance to create their own player and guide them through their career in *The One* mode. The game features updated rosters, refined gameplay mechanics, and a deep customization system. Players can also take part in traditional basketball action with the option to play in both

online and offline modes, including a variety of challenges and tournaments. The *Live Events* feature allows players to take part in special NBA-inspired challenges, earning rewards along the way. With smooth animations and a more polished presentation than its predecessors, *NBA Live 19* is a strong contender in the basketball game genre.

Need for Speed (2015)

Publisher: Electronic Arts

Age Rating: T (Teen)

Platforms: PlayStation 4, Xbox One, Windows

Description: *Need for Speed (2015)* brings the iconic racing series back to its roots, offering a thrilling open-world experience with fast cars and high-octane races. Set in the fictional city of Ventura Bay, the game focuses on illegal street racing, customization, and a variety of racing disciplines. Players can build their car collection and personalize their vehicles to compete in dynamic, story-driven events. The game also features an immersive narrative where players interact with a range of characters who are a part of the underground racing scene. With stunning graphics, smooth controls, and exciting racing mechanics, *Need for Speed (2015)* delivers an engaging racing experience.

Need for Speed Heat

Publisher: Electronic Arts

Age Rating: T (Teen)

Platforms: PlayStation 4, Xbox One, Windows

Description: *Need for Speed Heat* offers an exhilarating open-world racing experience where players can race during the day to earn money and compete in illegal street races at night to build reputation points. The game is set in the fictional city of Palm City, a vibrant world that's filled with both legal and illegal racing events. The night-time races have a more rebellious edge, with high-speed pursuits from the police adding an intense element of danger. Players can customize their cars to an incredible degree, with a wide range of visual and performance upgrades. With its dynamic day-night cycle, strong narrative, and thrilling racing action, *Need for Speed Heat* is an exciting addition to the series.

Need for Speed Payback

Publisher: Electronic Arts

Age Rating: T (Teen)

Platforms: PlayStation 4, Xbox One, Windows

Description: *Need for Speed Payback* takes players to the underworld of Fortune Valley, where they engage in street racing, heists, and high-speed chases with the ultimate goal of taking down a criminal cartel. The game features an action-packed narrative, and players can control three different characters, each with their own unique skills and car preferences. Along with the

story mode, players can participate in numerous racing challenges and car customization activities, while upgrading their vehicles to improve performance. The game introduces an exciting drift mechanic and explosive action, but also includes a vast open world for free-roaming, making for a comprehensive racing experience.

Need for Speed Rivals

Publisher: Electronic Arts

Age Rating: T (Teen)

Platforms: PlayStation 3, PlayStation 4, Xbox 360, Xbox One, Windows

Description: *Need for Speed Rivals* pits players in a high-stakes battle between cops and racers in a dynamic open-world environment. Players can choose to join the Racer or Cop factions, each with distinct objectives, vehicles, and abilities. Racers participate in illegal street races, while cops aim to chase down and arrest them. The game features a seamless multiplayer mode where players can engage in competitive events or team up to take on challenges. With stunning graphics, high-speed chases, and a wide variety of cars, *Need for Speed Rivals* offers intense action for racing fans who enjoy both high-speed thrills and strategic gameplay.

New Pokémon Snap

Publisher: Nintendo

Age Rating: E (Everyone)

Platforms: Nintendo Switch

Description: *New Pokémon Snap* is a sequel to the beloved 1999 classic, *Pokémon Snap*. In this game, players explore beautiful, photorealistic environments as they capture stunning photographs of Pokémon in their natural habitats. As a Pokémon photographer, players travel across diverse regions, from lush jungles to sandy beaches, while encountering a variety of wild Pokémon. The game emphasizes exploration and creativity, as players are encouraged to discover unique moments in nature and capture the perfect shot. With its relaxing gameplay and charming Pokémon, *New Pokémon Snap* offers a delightful experience for fans of the franchise.

NHL 20

Publisher: Electronic Arts

Age Rating: E (Everyone)

Platforms: PlayStation 4, Xbox One

Description: *NHL 20* delivers a fast-paced, realistic ice hockey experience, bringing the excitement of the NHL directly to your screen. Featuring updated rosters, improved visuals, and new gameplay mechanics, players can experience the rush of scoring goals, blocking shots, and orchestrating plays on the ice. The game introduces a revamped *Be A Pro* mode, allowing

players to create and control a single player's career in the NHL. Additionally, *NHL 20* includes enhanced puck physics, dynamic animations, and refined AI for a more immersive experience. With various modes such as *Hockey Ultimate Team* and *World of CHEL*, *NHL 20* offers a comprehensive hockey experience for fans of the sport.

NHL 21

Publisher: Electronic Arts

Age Rating: E (Everyone)

Platforms: PlayStation 4, Xbox One

Description: *NHL 21* continues to build on the series' reputation with new features, smooth gameplay, and improved presentation. The game introduces a new set of creative plays called *Superstar Abilities*, which allow players to execute iconic and signature moves that can turn the tide of the game. The *Be A Pro* mode has also received a facelift, with deeper character customization, storytelling, and career progression options. The *World of CHEL* mode, which brings a more casual experience, lets players compete in both indoor and outdoor arenas. With its realistic gameplay, great visuals, and exciting game modes, *NHL 21* provides an engaging experience for hockey enthusiasts.

No Man's Sky

Publisher: Hello Games

Age Rating: E10+ (Everyone 10 and older)

Platforms: PlayStation 4, Xbox One, Windows

Description: *No Man's Sky* is an ambitious space exploration game set in a procedurally generated universe. Players are free to explore an endless number of planets, each with its own ecosystem, resources, and wildlife. The game offers both solo and multiplayer experiences, with players able to gather materials, build bases, trade, and engage in space battles. A major update over the years has introduced improvements like a deeper narrative, better graphics, and larger, more detailed planets to explore. Whether you prefer to trade goods, explore the cosmos, or engage in survival challenges, *No Man's Sky* offers an expansive and ever-evolving space adventure.

Ori and the Will of the Wisps

Publisher: Xbox Game Studios

Age Rating: E (Everyone)

Platforms: Nintendo Switch, Xbox One, Windows

Description: *Ori and the Will of the Wisps* is a visually stunning, emotional platformer that follows Ori on a journey to find new friends and unlock the mysteries of a world in peril. With hand-painted artwork, meticulous animation, and an evocative musical score, the game creates a cinematic experience. The game introduces new abilities, puzzles, and enemies as Ori

traverses through forests, swamps, and icy caverns. With its heartwarming story, challenging platforming, and beautifully designed world, *Ori and the Will of the Wisps* is a touching, unforgettable adventure for all ages. The game also offers a dynamic combat system and a robust upgrade system to improve your skills as you progress.

Out of Space

Publisher: Ratalaika Games

Age Rating: E (Everyone)

Platforms: PlayStation 4, Xbox One, Nintendo Switch, Windows

Description: *Out of Space* is a fun, quirky cooperative puzzle game where players are tasked with cleaning up and managing a spaceship while dealing with bizarre alien creatures and challenging mechanics. Players must work together to clean rooms, fix systems, and ensure the survival of the crew. Each mission features randomly generated layouts and alien infestations, requiring strategic planning and teamwork. The game is ideal for fans of cooperative multiplayer, as it thrives on communication and collaboration. With its light-hearted art style, humorous gameplay, and hectic scenarios, *Out of Space* offers a playful and entertaining experience for friends and family.

Overcooked! 2

Publisher: Team17

Age Rating: E10+ (Everyone 10 and older)

Platforms: PlayStation 4, Xbox One, Nintendo Switch, Windows

Description: *Overcooked! 2* brings chaotic cooking action to life with its fast-paced, cooperative gameplay. Players are challenged to prepare and serve dishes under tight time constraints, all while managing an increasingly hectic kitchen environment. The game introduces new mechanics like the ability to throw ingredients and work in dynamic environments (such as moving trucks or suspended kitchens). With a variety of kitchens, recipes, and increasingly challenging levels, *Overcooked! 2* tests your team's ability to coordinate and multitask. Its wacky humor, colorful art style, and demand for teamwork make it a blast to play with friends.

Overwatch

Publisher: Blizzard Entertainment

Age Rating: T (Teen)

Platforms: PlayStation 4, Xbox One, Nintendo Switch, Windows

Description: *Overwatch* is a vibrant, team-based first-person shooter that emphasizes cooperation, strategy, and fast-paced action. Players can choose from a wide range of colorful heroes, each with their own unique abilities and roles, including damage dealers, tanks, and support characters. The game's dynamic maps and game modes encourage teamwork and require players to work together to achieve objectives such as capturing points or escorting

payloads. With its diverse cast of heroes, regular updates, and active community, *Overwatch* remains a popular choice for both casual and competitive players. Its visually appealing art style, strategic depth, and engaging team-based gameplay make it one of the most iconic multiplayer shooters in recent years.

Paper Mario: The Origami King

Publisher: Nintendo

Age Rating: E (Everyone)

Platforms: Nintendo Switch

Description: *Paper Mario: The Origami King* brings a fresh twist to the *Paper Mario* series with its unique art style and turn-based combat system. In this colorful adventure, Mario embarks on a journey to save Princess Peach from an evil origami king who has transformed the Mushroom Kingdom into a world of folded paper. The game features puzzle-filled environments, quirky dialogue, and an innovative combat mechanic where players must line up enemies in specific patterns to deal damage. With its humor, puzzles, and charming characters, *Paper Mario: The Origami King* offers an enjoyable and creative RPG experience for both fans of the series and newcomers.

Persona 5

Publisher: Atlus

Age Rating: M (Mature)

Platforms: PlayStation 4

Description: *Persona 5* is a critically acclaimed RPG that blends dungeon-crawling, turn-based combat, and life simulation elements. Players assume the role of a high school student who leads a double life as a member of the Phantom Thieves, a group that enters the hearts of corrupt individuals and steals their desires. The game features a compelling story, deep character development, and a unique turn-based battle system where players use Personas—creatures summoned in battle. The game's stylish art design, engaging soundtrack, and intricate social simulation aspects make it a standout in the RPG genre. *Persona 5* offers a complex narrative with social and moral choices, making it a must-play for fans of deep storytelling and strategy-based combat.

Pikmin 3 Deluxe

Publisher: Nintendo

Age Rating: E (Everyone)

Platforms: Nintendo Switch

Description: *Pikmin 3 Deluxe* is a strategy and puzzle game that challenges players to control small plant-like creatures known as Pikmin to explore and solve puzzles. In this game, players

must navigate diverse environments, gather resources, and overcome obstacles while managing groups of Pikmin of various colors, each with unique abilities. The Deluxe edition includes additional content, such as new missions and features, which were not available in the original Wii U version. With its charming art style, light-hearted narrative, and engaging gameplay, *Pikmin 3 Deluxe* is perfect for players who enjoy strategic thinking and problem-solving with a bit of whimsy.

Plants vs. Zombies: Battle for Neighborville

Publisher: Electronic Arts

Age Rating: E10+ (Everyone 10 and older)

Platforms: PlayStation 4, Xbox One, Nintendo Switch, Windows

Description: *Plants vs. Zombies: Battle for Neighborville* is a third-person shooter that takes place in the zany world of plants and zombies. Players can choose to be a plant or zombie and participate in team-based multiplayer battles, featuring various classes like Peashooter, Sunflower, and more. The game features an open world with multiple regions to explore, and players can engage in both solo and cooperative missions. The game's lighthearted tone, humorous characters, and fun combat mechanics make it a family-friendly shooter with depth and variety. With a wide range of customization options for characters and a variety of fun modes, *Battle for Neighborville* brings a unique twist to the shooter genre.

Pokémon Mystery Dungeon: Rescue Team DX

Publisher: Nintendo

Age Rating: E (Everyone)

Platforms: Nintendo Switch

Description: *Pokémon Mystery Dungeon: Rescue Team DX* is a remastered version of the original *Pokémon Mystery Dungeon* games, offering an updated experience with gorgeous hand-drawn visuals and a compelling story. Players take on the role of a human-turned-Pokémon and embark on a journey to rescue other Pokémon from dangerous situations. The game blends dungeon-crawling exploration with strategic, turn-based combat. Along the way, players will recruit other Pokémon to form a rescue team, facing increasingly difficult challenges in procedurally generated dungeons. With its heartwarming narrative, strategic gameplay, and nostalgic charm, *Pokémon Mystery Dungeon: Rescue Team DX* is a perfect experience for both longtime fans and newcomers to the series.

Pokémon: Let's Go, Pikachu! and Let's Go, Eevee!

Publisher: Nintendo

Age Rating: E (Everyone)

Platforms: Nintendo Switch

Description: *Pokémon: Let's Go, Pikachu!* and *Let's Go, Eevee!* are modern reimaginings of

Pokémon Yellow, designed for both new and old players alike. These games simplify the traditional *Pokémon* formula by integrating elements from *Pokémon Go*, such as motion controls for catching Pokémon and a simplified battle system. Players set out on an adventure through the Kanto region, capturing Pokémon, battling Gym Leaders, and discovering a variety of secrets. The games feature co-op gameplay, allowing a second player to join in seamlessly. With their bright, accessible gameplay and nostalgic appeal, *Let's Go, Pikachu!* and *Let's Go, Eevee!* are perfect for those who want to experience the magic of Pokémon in a more casual, beginner-friendly way.

Pokkén Tournament DX

Publisher: Bandai Namco Entertainment

Age Rating: E10+ (Everyone 10 and older)

Platforms: Nintendo Switch

Description: *Pokkén Tournament DX* is a fighting game that features an all-star cast of Pokémon battling it out in dynamic 3D arenas. Unlike traditional Pokémon games, where players catch and train Pokémon, *Pokkén Tournament DX* lets you directly control the Pokémon in battle, performing combos and powerful moves to defeat opponents. The game offers a variety of single-player modes, as well as competitive multiplayer modes where players can battle each other locally or online. With a focus on fast-paced action and stunning visuals, *Pokkén Tournament DX* is perfect for Pokémon fans who love fighting games and want to see their favorite creatures battle it out in the ring.

Predator: Hunting Grounds

Publisher: Sony Interactive Entertainment

Age Rating: M (Mature)

Platforms: PlayStation 4, Windows

Description: *Predator: Hunting Grounds* is an asymmetrical multiplayer shooter where one player takes control of the Predator, an alien hunter, while other players control a squad of elite soldiers sent on a mission. The soldiers must work together to complete objectives and survive the Predator's attacks, while the Predator stalks and hunts them using a range of deadly weapons and cloaking abilities. The game features a variety of maps, both outdoor jungles and military bases, to keep the gameplay fresh. With its tense gameplay, strategic depth, and fan service for *Predator* fans, *Hunting Grounds* provides a thrilling and action-packed multiplayer experience.

Psychonauts 2

Publisher: Xbox Game Studios

Age Rating: T (Teen)

Platforms: PlayStation 4, Xbox One, Windows, Xbox Series X/S

Description: *Psychonauts 2* is a highly anticipated sequel to the cult classic *Psychonauts*, following the story of Razputin "Raz" Aquato as he joins the international psychic espionage agency known as the Psychonauts. The game combines platforming with a variety of creative psychic powers that allow Raz to explore unique, dreamlike worlds inside people's minds. Each level offers a distinct setting and gameplay mechanic, making for a varied and engaging experience. With its quirky humor, memorable characters, and inventive gameplay, *Psychonauts 2* continues the legacy of its predecessor, offering a fun and imaginative adventure that both newcomers and fans will enjoy.

Quantum Break

Publisher: Microsoft Studios

Age Rating: M (Mature)

Platforms: Windows, Xbox One

Description: *Quantum Break* is a unique blend of action, story-driven gameplay, and live-action television, set in a world where time itself is unraveling. Players take on the role of Jack Joyce, a man caught in the midst of a time-manipulating experiment gone wrong. The game combines third-person shooting with time-based powers like freezing time, creating devastating time-based attacks. What sets *Quantum Break* apart is its integration of live-action scenes, where player choices influence the story and create branching narrative paths. With its gripping narrative, innovative gameplay, and stunning visuals, *Quantum Break* offers an engaging, cinematic experience.

Rage 2

Publisher: Bethesda Softworks

Age Rating: M (Mature)

Platforms: PlayStation 4, Xbox One, Windows

Description: *Rage 2* is a fast-paced first-person shooter set in an open-world, post-apocalyptic setting. In the game, players take control of Walker, the last Ranger, who must fight against a variety of enemies, including crazed bandits and mutant creatures, as they explore the wasteland. The game combines elements of traditional FPS combat with open-world exploration and vehicle combat. With its vibrant, chaotic world, over-the-top action, and a variety of weapons and abilities, *Rage 2* offers an adrenaline-pumping experience. The game's engaging combat system, dynamic environments, and explosive action make it a fun ride for FPS fans looking for a high-octane experience.

Rainbow Six Siege

Publisher: Ubisoft

Age Rating: M (Mature)

Platforms: PlayStation 4, PlayStation 5, Xbox One, Xbox Series X/S, Windows, Stadia

Description: *Rainbow Six Siege* is a tactical first-person shooter that focuses on strategy, teamwork, and precision. Players can choose from a variety of operators, each with unique gadgets and abilities, to work together in teams of five to either defend or assault various locations. The game emphasizes environmental destruction, allowing players to breach walls, floors, and ceilings to create new lines of sight or unexpected routes. With its emphasis on communication, strategy, and intense, tactical combat, *Rainbow Six Siege* has gained a dedicated following and continues to evolve with regular updates and new content. The competitive nature of the game makes it ideal for players who enjoy team-based gameplay and high-stakes action.

Ratchet & Clank (2016)

Publisher: Sony Interactive Entertainment

Age Rating: E10+ (Everyone 10 and older)

Platforms: PlayStation 4

Description: *Ratchet & Clank (2016)* is a reimagining of the beloved original *Ratchet & Clank* game, featuring a fresh story, updated graphics, and refined gameplay. Players control Ratchet, a Lombax mechanic, and his robotic companion Clank, as they battle across various colorful planets to thwart the evil Chairman Drek's plan to destroy the galaxy. The game features a wide array of fun weapons, from the Groovitron to the Pixelizer, and a variety of platforming and combat challenges. The vibrant visuals, humorous narrative, and engaging gameplay make it an enjoyable experience for both new players and fans of the series.

Ratchet & Clank: Rift Apart

Publisher: Sony Interactive Entertainment

Age Rating: T (Teen)

Platforms: PlayStation 5

Description: *Ratchet & Clank: Rift Apart* takes the series to new heights on the PlayStation 5 with stunning graphics and fast-paced, interdimensional gameplay. The story follows Ratchet and his new robotic ally Rivet as they travel across multiple dimensions to stop the evil Emperor Nefarious from destroying the multiverse. Utilizing the PlayStation 5's power, the game features instant loading times between dimensions, making for a smooth and exhilarating gameplay experience. The game combines action, platforming, and puzzle-solving, with a variety of weapons and gadgets to help defeat enemies. *Rift Apart* showcases the power of the PS5, offering a truly next-gen experience.

Red Dead Redemption II

Publisher: Rockstar Games

Age Rating: M (Mature)

Platforms: PlayStation 4, Xbox One, Windows, Stadia

Description: *Red Dead Redemption II* is an open-world action-adventure game set in the American Wild West. Players control Arthur Morgan, a member of the Van der Linde gang, as he navigates a world full of lawmen, outlaws, and untamed wilderness. The game features a highly detailed open world where players can engage in a variety of activities, including hunting, fishing, and completing narrative-driven missions. The story explores themes of loyalty, betrayal, and survival, with a rich, immersive plot that adapts to player choices. *Red Dead Redemption II* is renowned for its breathtaking visuals, meticulous attention to detail, and an emotionally charged narrative that makes it one of the most critically acclaimed games of its generation.

Resident Evil VII: Biohazard

Publisher: Capcom

Age Rating: M (Mature)

Platforms: PlayStation 4, Xbox One, Windows, Stadia

Description: *Resident Evil VII: Biohazard* marks a dramatic shift in the iconic survival horror franchise by adopting a first-person perspective and a more atmospheric, claustrophobic setting. Players take on the role of Ethan Winters, who must rescue his wife from a deranged family in a rural Louisiana plantation. The game returns to the series' survival horror roots, with limited resources, puzzles, and terrifying enemies. The eerie setting, tense atmosphere, and psychological horror elements make for a truly unnerving experience. With its engaging narrative and horrifying encounters, *Resident Evil VII* revitalized the *Resident Evil* franchise for a new generation of gamers.

Resident Evil Village

Publisher: Capcom

Age Rating: M (Mature)

Platforms: PlayStation 4, PlayStation 5, Xbox One, Xbox Series X/S, Windows, Stadia

Description: *Resident Evil Village* continues the story of Ethan Winters, now living in a mysterious village filled with dark secrets and grotesque creatures. This installment combines the atmospheric horror of *Resident Evil VII* with action-oriented gameplay, offering a more expansive and visually stunning world to explore. Players face terrifying enemies, including werewolves and vampiric figures, as they uncover the truth behind the strange village and its inhabitants. The game blends combat, exploration, and puzzle-solving with elements of survival horror, making it a thrilling and terrifying experience. With its intricate story, polished gameplay, and a variety of terrifying enemies, *Resident Evil Village* is another standout entry in the iconic franchise.

Returnal

Publisher: Sony Interactive Entertainment

Age Rating: M (Mature)

Platforms: PlayStation 5

Description: *Returnal* is a third-person roguelike shooter that blends fast-paced action with a gripping, science-fiction narrative. Players control Selene, a space explorer stranded on an alien planet, who is forced to relive her death over and over in a time loop. As she explores the planet, she encounters hostile creatures, environmental hazards, and a mysterious storyline that unfolds with each cycle. The game features procedurally generated levels, meaning each run offers new challenges and discoveries. With its immersive storytelling, relentless action, and innovative gameplay mechanics, *Returnal* stands out as a must-play exclusive for PlayStation 5 owners.

Ryse: Son of Rome

Publisher: Microsoft Studios

Age Rating: M (Mature)

Platforms: Xbox One, Windows

Description: *Ryse: Son of Rome* is an action-adventure game set in ancient Rome, where players control Marius Titus, a Roman soldier seeking revenge for the death of his family. The game's combat system is focused on brutal, cinematic melee battles, where players use a mix of swordplay and brutal executions. The story explores themes of loyalty, power, and betrayal within the Roman Empire, as Marius climbs the ranks to seek justice for his loved ones. The game features stunning visuals, including highly detailed character models and realistic environments, making it a visually impressive title. While the game has been praised for its combat mechanics and graphics, its linear gameplay and narrative may not appeal to everyone.

Sea of Solitude

Publisher: Electronic Arts

Age Rating: T (Teen)

Platforms: PlayStation 4, Xbox One, Windows, Nintendo Switch

Description: *Sea of Solitude* is a haunting, narrative-driven adventure that explores themes of loneliness, mental health, and self-discovery. Players step into the shoes of Kay, a young woman navigating a surreal, flooded city while confronting monstrous manifestations of her emotions. The game's stylized visuals and atmospheric soundtrack enhance its emotional storytelling, turning each encounter into a symbolic exploration of personal struggles. As Kay journeys through the submerged city, she learns more about herself and the people she's lost touch with, all while confronting the darkness inside her. It's a short but powerful experience that resonates with players on a deeply emotional level.

Sea of Thieves

Publisher: Xbox Game Studios

Age Rating: T (Teen)

Platforms: Xbox One, Xbox Series X/S, Windows

Description: *Sea of Thieves* is a shared-world pirate adventure game where players team up to sail the high seas, search for treasure, and engage in naval battles. Players can take on roles aboard a ship, such as steering, manning cannons, or navigating, while exploring an open world filled with quests, sea monsters, and rival pirate crews. The game emphasizes cooperation, spontaneity, and emergent gameplay, as each crew writes their own pirate story. Regular updates continue to expand the game with new voyages, lore, and mechanics. With its lighthearted tone, stylized visuals, and open-ended design, *Sea of Thieves* is a unique sandbox experience that captures the thrill of pirate life.

Severed Steel

Publisher: Digerati

Age Rating: M (Mature)

Platforms: PlayStation 4, PlayStation 5, Xbox One, Xbox Series X/S, Windows, Nintendo Switch

Description: *Severed Steel* is a stylish, high-octane first-person shooter that features fluid movement, slow-motion mechanics, and a single-armed protagonist with a hunger for revenge. Players take control of Steel, a skilled operative who blazes through neon-lit environments, performing wall runs, flips, and bullet-dodging stunts while taking down waves of enemies. The game's destruction-focused engine allows for dynamic gunplay and creative combat, making each firefight exhilarating and cinematic. With no reloading, constant movement is encouraged, adding to the game's fast-paced and aggressive feel. Its cyberpunk setting, synthwave soundtrack, and unique gameplay mechanics set *Severed Steel* apart from traditional FPS games.

Shadow of the Colossus

Publisher: Sony Interactive Entertainment

Age Rating: T (Teen)

Platforms: PlayStation 4 (Remake), PlayStation 2 (Original)

Description: *Shadow of the Colossus* is a breathtaking adventure game where players take on the role of Wander, a young warrior who must defeat sixteen towering colossi to revive a lost soul. Set in a vast, desolate world, the game focuses on minimalist storytelling, emotional resonance, and awe-inspiring boss battles. Each colossus is a unique puzzle in itself, requiring players to climb, strategize, and discover their weaknesses to bring them down. The 2018 remake for PS4 enhances the game with stunning visuals and smoother performance, making it even more impactful. It's a deeply moving, artistic experience that leaves a lasting impression on those who play it.

Shadow of the Tomb Raider

Publisher: Square Enix

Age Rating: M (Mature)

Platforms: PlayStation 4, Xbox One, Windows

Description: *Shadow of the Tomb Raider* is the concluding chapter in Lara Croft's origin story, taking players through the dense jungles and ancient ruins of Central and South America. As Lara faces the consequences of unleashing an ancient curse, she must master the environment and her survival skills to overcome deadly foes and intricate tombs. The game features stealth combat, exploration, and puzzle-solving, all wrapped in a mature, emotionally rich narrative. With lush visuals and a greater emphasis on challenge tombs and traversal, this entry deepens Lara's character arc and pushes her to the limits. It's a satisfying and cinematic adventure for fans of the series.

Star Wars: Battlefront II

Publisher: Electronic Arts

Age Rating: T (Teen)

Platforms: PlayStation 4, Xbox One, Windows

Description: *Star Wars: Battlefront II* immerses players in massive multiplayer battles set across all eras of the Star Wars saga. Whether flying starfighters in space, battling on foot as a trooper, or controlling iconic heroes like Darth Vader and Rey, the game offers epic-scale conflicts and cinematic experiences. The single-player campaign follows Iden Versio, an elite Imperial commander, whose story bridges the gap between *Return of the Jedi* and *The Force Awakens*. After a controversial launch, the game has been significantly improved with free updates, new characters, and maps that have transformed it into a well-rounded shooter. With its stunning visuals and iconic settings, it offers an authentic Star Wars experience.

Star Wars: Squadrons

Publisher: Electronic Arts

Age Rating: T (Teen)

Platforms: PlayStation 4, Xbox One, Windows

Description: *Star Wars: Squadrons* is a space combat game that puts players in the cockpits of iconic Star Wars starfighters, offering first-person dogfighting in the vastness of space. Featuring both a single-player campaign and competitive multiplayer modes, the game lets players experience perspectives from both the New Republic and the Galactic Empire. With a strong emphasis on team coordination and tactical flying, it appeals to fans of space sims and Star Wars alike. Full VR support and customizable controls deepen immersion for those seeking a truly authentic piloting experience. It's a love letter to fans who've dreamed of flying an X-Wing or TIE Fighter.

Star Wars: Battlefront (2015)

Publisher: Electronic Arts

Age Rating: T (Teen)

Platforms: PlayStation 4, Xbox One, Windows

Description: *Star Wars: Battlefront* is a large-scale multiplayer shooter set in the Star Wars universe, emphasizing cinematic authenticity and nostalgia. The game features battles on iconic planets like Hoth, Endor, and Tatooine, with players choosing to fight for the Rebel Alliance or the Galactic Empire. While it lacks a single-player campaign, the game makes up for it with impressive visuals, sound design, and faithful recreations of the Star Wars aesthetic. Players can also step into the roles of beloved characters like Luke Skywalker and Darth Vader in select modes. Despite its limited launch content, the game remains a visually stunning Star Wars sandbox for fans of the franchise.

State of Decay 2

Publisher: Xbox Game Studios

Age Rating: M (Mature)

Platforms: Xbox One, Xbox Series X/S, Windows

Description: *State of Decay 2* is a third-person survival game where players manage a community of survivors during a zombie apocalypse. It emphasizes base-building, resource gathering, and tough decision-making as players juggle the needs and personalities of different characters. Every choice matters—from deciding who leads your group to which areas you explore for supplies—and consequences can be permanent if a character dies. The game features four-player co-op, allowing friends to work together to survive the undead threat. Its focus on realism, community dynamics, and emergent gameplay make it a standout in the zombie genre.

Steep

Publisher: Ubisoft

Age Rating: T (Teen)

Platforms: PlayStation 4, Xbox One, Windows

Description: *Steep* is an extreme sports game that drops players into a sprawling alpine environment where they can snowboard, ski, paraglide, and wingsuit down massive mountains. The game emphasizes exploration, stunts, and community competition, with both solo and multiplayer options. Players can customize their gear, take part in challenges, or simply enjoy the open slopes and natural beauty. The replay editor allows you to relive and share your best runs in cinematic style. It's a chill, adrenaline-fueled experience that captures the freedom of winter sports.

Sunset Overdrive

Publisher: Xbox Game Studios

Age Rating: M (Mature)

Platforms: Xbox One, Windows

Description: *Sunset Overdrive* is a vibrant, over-the-top open-world action game set in a city overrun by mutants following a toxic energy drink outbreak. Players use acrobatic traversal, grinding, and wall-running to zip across rooftops while wielding ridiculous weapons like exploding teddy bears and vinyl record launchers. The game thrives on humor, color, and chaos, breaking the fourth wall and embracing its comic book-style absurdity. With fast-paced combat and a punk rock aesthetic, it's a wild ride that never takes itself too seriously. The game is praised for its creativity and energetic gameplay loop.

Super Mario 3D World + Bowser's Fury

Publisher: Nintendo

Age Rating: E (Everyone)

Platforms: Nintendo Switch

Description: This bundle includes *Super Mario 3D World*, a cooperative 3D platformer originally released for the Wii U, and *Bowser's Fury*, a brand-new open-world-style adventure. In *3D World*, up to four players can explore imaginative levels, use power-ups like the Super Bell to transform into cats, and team up or compete to reach the goal. *Bowser's Fury* introduces a more open-ended environment where Mario must team up with Bowser Jr. to stop a rampaging Fury Bowser. Both games offer stunning visuals, polished gameplay, and hours of family-friendly fun. It's a great mix of classic Mario platforming and new ideas.

Super Mario Maker 2

Publisher: Nintendo

Age Rating: E (Everyone)

Platforms: Nintendo Switch

Description: *Super Mario Maker 2* empowers players to build, play, and share their own custom Mario levels using elements from across the series' history. The game includes a wide range of tools and themes, from the classic 8-bit *Super Mario Bros.* style to the modern *Super Mario 3D World* look. It features a Story Mode with over 100 Nintendo-made levels and a vibrant online community where creators upload and rate courses. Multiplayer modes and co-op building add even more depth. Whether you're designing brutal challenges or casual playgrounds, it's a creative sandbox for all skill levels.

Super Mario Odyssey

Publisher: Nintendo

Age Rating: E10+ (Everyone 10 and older)

Platforms: Nintendo Switch

Description: *Super Mario Odyssey* is a critically acclaimed 3D platformer that follows Mario and his new companion Cappy on a globe-trotting quest to save Princess Peach from Bowser. The game introduces the unique capture mechanic, allowing Mario to possess enemies and objects to solve puzzles and navigate environments. Each kingdom is a richly detailed sandbox full of secrets, challenges, and Power Moons to collect. With its inventive design, charming visuals, and joyful spirit, it's often hailed as one of the best Mario games ever made. The game appeals to both longtime fans and newcomers alike.

Super Mario Party

Publisher: Nintendo

Age Rating: E (Everyone)

Platforms: Nintendo Switch

Description: *Super Mario Party* brings the classic board game-style chaos to the Nintendo Switch, complete with new characters, mini-games, and ways to play. Up to four players take turns rolling dice, collecting stars, and competing in skill-based mini-games to gain an edge. The game features multiple modes, including a rhythm-based game, co-op river rafting, and online mini-game competitions. With its mix of strategy and randomness, it's perfect for casual gatherings and competitive families alike. The vibrant visuals and light-hearted mechanics make it accessible and fun for all ages.

Tetris 99

Publisher: Nintendo

Age Rating: E (Everyone)

Platforms: Nintendo Switch

Description: *Tetris 99* puts a modern twist on the classic puzzle game by turning it into a 99-player online battle royale. Players compete in real time, clearing lines to send garbage blocks to opponents and avoid being knocked out themselves. Fast reflexes, smart targeting, and a bit of luck are all essential for survival. The game features limited-time events, special themes, and unlockable content to keep players coming back. It's a surprisingly intense and addictive multiplayer experience built on one of gaming's most iconic foundations.

The Last Guardian

Publisher: Sony Interactive Entertainment

Age Rating: T (Teen)

Platforms: PlayStation 4

Description: *The Last Guardian* is a touching adventure game centered around the bond between a young boy and a giant, mythical creature named Trico. Players guide the duo through a crumbling ancient world, solving environmental puzzles and navigating treacherous ruins. Trico has its own personality and doesn't always obey commands, making the relationship feel dynamic and lifelike. The game's art style, emotional storytelling, and orchestral soundtrack contribute to a deeply moving experience. Though its controls and camera were sometimes criticized, its heart and originality left a strong impression on many players.

The Last of Us Part II

Publisher: Sony Interactive Entertainment

Age Rating: M (Mature)

Platforms: PlayStation 4, PlayStation 5 (Enhanced)

Description: *The Last of Us Part II* is a dark, emotional sequel that continues the post-apocalyptic story of Ellie, now grown and driven by vengeance. Set several years after the original game, players experience a dual narrative that explores the consequences of violence and the complexity of morality. The gameplay features refined stealth, crafting, and combat systems, with more open environments to explore. Visually stunning and narratively ambitious, it sparked intense debate over its story choices, but was widely praised for its performances, direction, and technical achievements. It's a brutal yet powerful tale that pushes the boundaries of storytelling in games.

The Last of Us Remastered

Publisher: Sony Interactive Entertainment

Age Rating: M (Mature)

Platforms: PlayStation 4

Description: *The Last of Us Remastered* brings the critically acclaimed PS3 classic to the PlayStation 4 with enhanced graphics, higher resolution, and smoother performance. The story follows Joel and Ellie as they journey through a post-apocalyptic United States filled with infected creatures and ruthless survivors. The game blends stealth, action, and emotional storytelling in a way that has set a benchmark for narrative-driven games. It also includes the *Left Behind* DLC, which provides a deeper look into Ellie's past. This remaster is considered one of the essential titles on PS4 for its gameplay, visuals, and heartfelt narrative.

The Legend of Zelda: Link's Awakening (2019)

Publisher: Nintendo

Age Rating: E (Everyone)

Platforms: Nintendo Switch

Description: This remake of the 1993 Game Boy classic brings *Link's Awakening* to life with a

charming diorama-like art style and updated mechanics. Players explore Koholint Island, solving puzzles, navigating dungeons, and uncovering secrets as Link searches for a way to escape the island. Despite its cutesy visuals, the game features deep gameplay, tricky boss fights, and an emotional narrative with a mysterious twist. The reworked soundtrack and polished controls modernize the experience while preserving its nostalgic heart. It's a great blend of classic Zelda design and new-generation polish.

The Legend of Zelda: Skyward Sword HD

Publisher: Nintendo

Age Rating: E10+ (Everyone 10 and older)

Platforms: Nintendo Switch

Description: *Skyward Sword HD* is a remastered version of the 2011 Wii game, featuring improved graphics, smoother frame rates, and updated control options. The story serves as the origin of the *Zelda* timeline, following Link's journey from the floating island of Skyloft to the surface world below. The game emphasizes motion-based swordplay, puzzles, and dungeon exploration, with new control schemes allowing for traditional button inputs. While some gameplay elements remain divisive, the remaster polishes many of the original's rough edges. It's an important piece of *Zelda* lore, offering deep world-building and emotional storytelling.

The Outer Worlds

Publisher: Obsidian Entertainment

Age Rating: M (Mature)

Platforms: PlayStation 4, Xbox One, Nintendo Switch, Windows

Description: *The Outer Worlds* is a first-person RPG set in a retro-futuristic space colony, where players shape the story through their choices, dialogue, and actions. As a colonist awakened from cryo-sleep, you're thrown into a conflict between corporate factions vying for control. The game features witty writing, morally gray decisions, and a flexible progression system that lets players talk, shoot, or sneak their way through quests. It's known for its quirky humor and vibrant sci-fi setting, drawing comparisons to *Fallout: New Vegas*. With multiple endings and rich exploration, it rewards players who enjoy deep narrative experiences.

Thief (2014)

Publisher: Square Enix

Age Rating: M (Mature)

Platforms: PlayStation 3, PlayStation 4, Xbox 360, Xbox One, Windows

Description: *Thief* is a stealth-focused reboot of the classic franchise, putting players in control of Garrett, a master thief navigating a dark, plague-ridden city. The game emphasizes stealth over combat, allowing players to stick to shadows, pick locks, and evade enemies to achieve their goals. While the atmosphere is moody and immersive, the story and level design received

mixed reactions. Still, it offers a satisfying experience for fans of slow-paced, methodical gameplay. With a blend of stealth mechanics and Victorian-inspired aesthetics, *Thief* stands as a niche but atmospheric title.

Titanfall

Publisher: Electronic Arts

Age Rating: M (Mature)

Platforms: Xbox 360, Xbox One, Windows

Description: *Titanfall* is a multiplayer-focused first-person shooter known for its fast-paced movement, wall-running mechanics, and massive mech combat. Players control agile pilots who can summon Titans—heavily armed mechs—for devastating combat on the battlefield. The game mixes verticality and mobility in a way that was fresh and exciting at release. Despite the lack of a traditional single-player campaign, its innovative mechanics helped it stand out in a crowded genre. It laid the foundation for its even more acclaimed sequel, *Titanfall 2*.

Titanfall 2

Publisher: Electronic Arts

Age Rating: M (Mature)

Platforms: PlayStation 4, Xbox One, Windows

Description: *Titanfall 2* builds on the fast, fluid gameplay of its predecessor while introducing a critically acclaimed single-player campaign. The story follows Jack Cooper, a rifleman who becomes an unlikely pilot after bonding with a Titan named BT-7274. The campaign mixes emotional storytelling, creative level design (including time manipulation), and thrilling action sequences. Multiplayer remains a standout, offering highly mobile, parkour-style combat and explosive Titan battles across various maps and modes. *Titanfall 2* is often praised as one of the most underrated shooters of its generation.

Tom Clancy's Ghost Recon Breakpoint

Publisher: Ubisoft

Age Rating: M (Mature)

Platforms: PlayStation 4, Xbox One, Windows

Description: *Ghost Recon Breakpoint* is a tactical open-world shooter set on the fictional island of Auroa, where players take on the role of Nomad, a special forces operative stranded behind enemy lines. The game blends survival mechanics with tactical gunplay, featuring injury systems, stamina management, and stealth-focused missions. It can be played solo or in co-op, and offers deep customization for gear, weapons, and skill trees. At launch, the game faced criticism for bugs and repetitive content, but updates have improved the experience significantly. Its expansive setting and strategic combat appeal to fans of realistic military games.

Tom Clancy's Ghost Recon: Wildlands

Publisher: Ubisoft

Age Rating: M (Mature)

Platforms: PlayStation 4, Xbox One, Windows

Description: *Wildlands* is the predecessor to *Breakpoint*, placing players in a massive, open-world version of Bolivia controlled by a drug cartel. You lead a team of four elite operatives working to dismantle the cartel through a series of missions, all of which can be tackled in any order. The game supports four-player online co-op and emphasizes player freedom in how you approach objectives—be it through stealth, sniping, or full-frontal assaults. With dynamic weather, a realistic world, and a robust mission structure, it delivers a solid sandbox tactical experience. It's particularly fun when played with friends thanks to its flexible gameplay and chaotic potential.

Torchlight III

Publisher: Perfect World Entertainment

Age Rating: T (Teen)

Platforms: PlayStation 4, Xbox One, Nintendo Switch, Windows

Description: *Torchlight III* is an action RPG set in a colorful fantasy world filled with monsters, loot, and magic. Players choose from unique character classes and embark on dungeon-crawling adventures across diverse biomes, battling hordes of enemies and collecting powerful gear. Unlike its predecessors, *Torchlight III* shifts toward a more casual, pick-up-and-play structure with a greater focus on ease of access. Players can also customize their own fort, adding a light building element to the traditional ARPG formula. While not as deep as earlier entries, it retains the franchise's charm and approachable gameplay loop.

UFC 3

Publisher: Electronic Arts

Age Rating: T (Teen)

Platforms: PlayStation 4, Xbox One

Description: *UFC 3* delivers realistic mixed martial arts (MMA) gameplay with enhanced graphics, new animations, and improved responsiveness. The game features a deep career mode where players shape their fighter's journey from an amateur to a UFC superstar through training, promotion, and social media interactions. Its Real Player Motion technology brings fluidity to strikes and grapples, making the fights feel more lifelike. Online Championships and Ultimate Team modes provide competitive depth, while local multiplayer offers plenty of couch rivalry fun. It's a strong entry for fans of MMA and detailed combat simulations.

Uncharted 4: A Thief's End

Publisher: Sony Interactive Entertainment

Age Rating: T (Teen)

Platforms: PlayStation 4, PlayStation 5 (via Legacy of Thieves Collection)

Description: *Uncharted 4* is the cinematic conclusion to Nathan Drake's treasure-hunting saga, blending explosive action, platforming, and heartfelt storytelling. Years after retiring, Drake is pulled back into adventure by his long-lost brother, setting off a globe-trotting quest for pirate treasure. The game is packed with spectacular set pieces, gorgeous environments, and well-written dialogue that adds depth to the characters and their relationships. Multiplayer modes are also included, offering fast-paced, vertical gunplay in classic *Uncharted* fashion. It's a masterclass in action-adventure storytelling and a fitting send-off for the beloved hero.

Uncharted: The Lost Legacy

Publisher: Sony Interactive Entertainment

Age Rating: T (Teen)

Platforms: PlayStation 4, PlayStation 5 (via Legacy of Thieves Collection)

Description: *The Lost Legacy* is a standalone *Uncharted* title that follows treasure hunter Chloe Frazer and mercenary Nadine Ross as they explore India in search of the Tusk of Ganesh. The game retains the cinematic storytelling and thrilling traversal of the main series while introducing new character dynamics and a more open-ended chapter. It's a shorter experience than *Uncharted 4*, but it's just as polished, offering a tight blend of exploration, puzzles, and action. The chemistry between Chloe and Nadine adds a fresh layer to the narrative. It's a great entry point or continuation for fans of the franchise.

Uncharted: The Nathan Drake Collection

Publisher: Sony Interactive Entertainment

Age Rating: T (Teen)

Platforms: PlayStation 4

Description: This remastered collection brings together the first three *Uncharted* games—*Drake's Fortune*, *Among Thieves*, and *Drake's Deception*—with updated visuals, performance improvements, and gameplay tweaks. It charts the rise of Nathan Drake from a young adventurer to a globe-trotting legend, blending history, myth, and pure action. Each game offers exotic locales, explosive set pieces, and witty dialogue that defined the PlayStation 3 era. The collection adds a photo mode and tighter controls, making it the best way to experience the trilogy. It's essential for anyone wanting to follow the full *Uncharted* story.

Unravel

Publisher: Electronic Arts

Age Rating: E (Everyone)

Platforms: PlayStation 4, Xbox One, Windows

Description: *Unravel* is a charming puzzle-platformer that tells a wordless story through the adventures of Yarny, a tiny character made of red yarn. As you travel through picturesque landscapes inspired by the Swedish countryside, Yarny unravels—both literally and emotionally—as he reconnects memories tied to the environment. The gameplay is focused on physics-based puzzles and traversal, using Yarny’s thread to swing, climb, and interact with the world. Its heartfelt tone and beautiful hand-crafted visuals create a deeply emotional experience without ever saying a word. The game explores themes of love, loss, and nostalgia with subtle grace.

Until Dawn

Publisher: Sony Interactive Entertainment

Age Rating: M (Mature)

Platforms: PlayStation 4

Description: *Until Dawn* is an interactive horror experience where every choice you make affects who lives and who dies. Set in a remote mountain lodge, the game follows a group of teenagers as they encounter supernatural threats and unravel dark secrets. The narrative plays out like a slasher movie, and features Hollywood talent including Rami Malek and Hayden Panettiere. The branching paths and quick-time events mean no two playthroughs are exactly alike, with dozens of possible outcomes. It’s a tense, cinematic experience that’s perfect for fans of horror and decision-driven gameplay.

We Happy Few

Publisher: Gearbox Publishing

Age Rating: M (Mature)

Platforms: PlayStation 4, Xbox One, Windows

Description: *We Happy Few* is a dystopian survival game set in an alternate 1960s England, where society is held together by a mandatory happiness drug called “Joy.” Players take on the roles of three different characters trying to escape the twisted city of Wellington Wells, each with their own personal story. The game blends stealth, crafting, and psychological horror, with a strong narrative focus and a striking retro-futuristic art style. Avoiding suspicion and blending in with “happy” citizens is key to survival, adding tension to every interaction. It’s a dark, quirky, and ambitious game with a strong satirical edge.

Wolfenstein II: The New Colossus

Publisher: Bethesda Softworks

Age Rating: M (Mature)

Platforms: PlayStation 4, Xbox One, Nintendo Switch, Windows

Description: *The New Colossus* continues the story of B.J. Blazkowicz as he leads a resistance against the Nazi regime in an alternate timeline where the Axis powers won World War II. The game delivers brutal, fast-paced first-person shooting with a mix of stealth and dual-wielding carnage. Its narrative dives deeper into character development, political themes, and a wide variety of American locales under Nazi rule. With stylish cutscenes, intense action, and surprisingly emotional moments, it balances storytelling and chaos masterfully. It's widely regarded as one of the best entries in the modern *Wolfenstein* series.

Wolfenstein: The New Order

Publisher: Bethesda Softworks

Age Rating: M (Mature)

Platforms: PlayStation 4, PlayStation 3, Xbox One, Xbox 360, Windows

Description: *The New Order* rebooted the classic *Wolfenstein* franchise with a narrative-rich approach, blending old-school gunplay with modern storytelling. Players once again control B.J. Blazkowicz as he fights to overthrow the global Nazi regime using a blend of futuristic weapons and guerilla tactics. The game's alternate history setting is both terrifying and intriguing, filled with giant mechanical enemies and dystopian imagery. Its character-driven story is more emotional than expected, giving weight to the resistance struggle. With strong pacing and cinematic presentation, it set the stage for a powerful modern series revival.

Wolfenstein: Youngblood

Publisher: Bethesda Softworks

Age Rating: M (Mature)

Platforms: PlayStation 4, Xbox One, Nintendo Switch, Windows

Description: *Youngblood* is a co-op-focused spin-off of the *Wolfenstein* series starring B.J. Blazkowicz's twin daughters, Jess and Soph, in 1980s Nazi-occupied Paris. The game features more RPG elements, including level-based progression, skill trees, and gear customization. Unlike previous entries, it emphasizes replayable missions and shared gameplay over a traditional linear campaign. While the story is lighter in tone, the action remains intense, with fast shooting and brutal enemy encounters. It's best enjoyed with a friend, offering a slightly different but energetic take on the *Wolfenstein* formula.
